Lawrence Lang Trust Campership Policy Statement

PLEASE READ CAREFULLY

ALL CAMPERSHIP APPLICATIONS MUST BE RECEIVED IN THE COUNCIL PROGRAM OFFICE BY ***MARCH 31st*** for consideration.

The Lawrence Lang Trust was established to "provide scholarships for Scouts from Reno County who need assistance with fees and costs for uniforms, camp fees…"

Camperships provided by the Lawrence Lang Trust are considered on the basis of need and available resources and are to be one-half (½) or less of the full camp fee. Quivira Council recognizes the advantage to youth in participating in a summer camp program and wants to aid legitimate need cases. It does not, however, want to assume the total responsibility. The council does want to assist the family, the unit, and/or the chartered partner. **NO CAMPERSHIP WILL BE AWARDED BY THE COUNCIL FOR 100% OF THE CAMP FEE. No guarantee is made that applications will result in funding and/or gear.**

1. Camperships are available **ONLY** to youth members who are registered members of Quivira Council, Boy Scouts of America, for at least four (4) months prior to the campership application date.

2. It must be understood that all other sources of financial help have been exhausted including the youth member's own earning power, his family, his unit's, and the chartered partner's resources.

3. The campership supports are limited to approved Quivira Council camps only.

4. Applications must be submitted in writing with ***ALL*** requested information completed by the member's unit leader to the Council Program Department. **NO CAMPERSHIP APPLICATION WILL BE ACCEPTED WITHOUT THE CERTIFICATION SIGNATURE OF THE UNIT LEADER**.

5. The Camping Committee will have final approval of all Campership applications.

6. Camperships are based on available funds and/or gear. If a Campership is granted, the unit leader & family will be notified in writing.
